The overcab double bed area provides more sleeping space. There is a generous kitchen and bathroom at the back. The Autohomes Three Years Body Seal Warranty and Peugeot 12 Month Unlimited Mileage Warranty* will give you peace of mind wherever you choose to go.

*Applicable to all models.

The Windfall

If you'd like a choice of double bed accommodation, then the Windfall is perfect for you. The spacious dinette turns into a double bed at the back of the vehicle, or there's plenty of sleeping room for two in the overcab area. You won't have to be concerned about a thing in an Autohomes Windfall as it comes with 12 months full AA membership free of charge*, so that you can go where the mood takes you worry free.

*Applicable to all models.

Short wheel base model

The Wayfinder

There's plenty of seating in this 'U' shaped 4 berth and you have the option of a model that provides a double bed in the lounge area or one that converts into two singles. A convenient feature of the Wayfinder is the television shelf and as with all Autohomes models, external aerial sockets, 60 Litre Electrolux refrigerator, three burner hob and grill and microswitch kitchen taps make life so much more comfortable.

Medium wheel base model

The Wanderer

One of the most popular layouts, the Wanderer is ideal for those of you who just want to relax and enjoy the view. An 'L' shaped lounge looks out through a vertical picture window, letting in plenty of light. There is room above the cab area for two to sleep or store the golf clubs and you'll find lots of space in the central kitchen. If you wish to travel with family or friends, seat belts can be fitted to the forward facing section of the 'L' shaped seating.*

Ask your retailer for details of this factory fitted option.

*Optional extra at additional charge.

Longer in length than the Wildwind and Windfall, this 4 berth has plenty of seating. A long day seat and four seat dinette converts to a double bed. The roomy rear kitchen allows you to put your culinary skills to the test and there's still plenty of storage space for all that hiking gear. Autohomes feature a long list of optional extras that you can add to your Wayfarer to make it just right for you. (See outside back cover for details).

The Windward

A new addition to Autohomes models for 1998, this is the king of the range. A long wheel based Peugeot Boxer that has beds for five. If you like luxurious steaming hot showers after a hard day on the beach, then this is the model for you - the roomy separate shower allows you all the peace you want. The long day seat at the rear converts to a single dinette for greater flexibility and there is an option to add a sixth bed above the rear seating. This may be ordered for an additional charge.
